THE STATE OF AFFAIRS.

When Gwendoline clashes with Maggie
The two never seem to agree,
For one name is aristocratic,
The other is plain as can be.

To find the true cause of the trouble
You need to take merely a look,
For Maggie, my wife, is the mistress,
And Gwendoline—she is the cook.

COURT IN ERROR.

So Ruled Court of Appeals on Railway Suit from Bracken.

In the Court of Appeals Thursday Judge O'Rear delivered an opinion reversing a judgment of the Bracken Circuit Court in the case of the Commonwealth against the Chesapeake and Ohio Railway Company.

In this case the Company was indicted for the offense of operating a railway in the state under lease without recording the lease in the County Clerk's office.

The indictment was found under sections 797 and 798 of the Statutes, defining the offense as a misdemeanor, and fixing a minimum and a maximum fine.

The Bracken Circuit Court sustained a demurrer to the indictment on the ground of insufficiency, but the Appellate Court in reversing says it is a sufficient indictment and the prosecution can be maintained.

A brief was filed in the Court of Appeals by the appellant in the suit of King vs. Covington, et al., Railway Company, taken up from Fleming county.

THE FIRST STEP

Of the child is an event in the mother's life. How proud she feels when the attempt to walk is begun so early as to evidence childish courage and sturdy strength. Such pride should be enjoyed by every mother. But it often happens that the child is timid, weak and deficient in vitality, and clings to the mother's arms with no desire to walk or play.

Mothers should learn that to have strong children they must themselves be strong, for the child's strength is the gift of the mother.

The use of Dr. Pierce's Favorite Prescription by expectant mothers gives them health and strength to give their children. It nourishes the nerves, strengthens the body and gives great muscular strength and elasticity, so that the baby's advent is practically painless.

"I have been using Dr. Pierce's Favorite Prescription, and can say it is just what you advertise it to be, and can cheerfully recommend it," writes Mrs. Victor J. Hadley, of Leonardville, Riley Co., Kansas. "I began taking it just two months before baby came and was greatly benefited by its use. The doctor who attended me said I did about as well as any one he had seen (as I was sick only about three hours), and also that my 'Favorite Prescription' was 'the one patent medicine' which he did have faith in."

"We now have a darling baby boy, strong and healthy, who weighed nine pounds when born (July 24th). During this month he has gained three and one-half pounds."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

Regular monthly meeting of Joseph Heller Post No. 1347 G. A. R. Hall, Cox Building, at 7:30 this evening. J. THOMAS A. LAYNE, Commandant. G. M. E. MILLER, Adjutant.

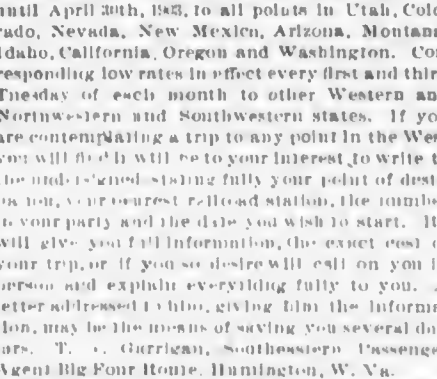

Circuit Court adjourned yesterday till "Court in course."

The Stomach Is the Man.
A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot furnish enough food to feed the tissues and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia Cure cleanses, purifies, sweetens and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. J. J. Wood & Son.

Fired Commodore Downes.

Many lessons have been needed to teach the uncivilized peoples of the world respect for the American flag. One of these was administered to the native town of Quallah Battow in the island of Sumatra on February 6, 1832. A year previous the natives had attacked and looted an American merchant vessel, the Friendship, while loading spices at the town. President Jackson sent Commodore Downes with the frigate Potomac to teach the natives a lesson. This he did by capturing the town and destroying its fortifications. In the battle which was fought to accomplish this 150 of the natives were killed, and two Americans.

Do You Enjoy
What You Eat?

"When you take Kodol everything you eat tastes good."

KODOL
Digests what you eat
Makes
The Stomach Sweet.

If you don't your food does not do you much good. Kodol Dyspepsia Cure is the remedy that every one should take when there is anything wrong with the stomach. There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up.

No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known tonic and reconstructive properties. It cleanses, purifies and sweetens the stomach. When you take Kodol everything you eat tastes good, and every bit of the nutriment that it contains is assimilated and appropriated by the blood and tissues. Kodol gives health to the sick and strength to the weak.

KODOL
DYSPEPSIA CURE

Bottles only.—Regular Size, \$1.00, holding 2½ times as much as the trial size which sells for 50 cents.

Prepared only by E. C. DeWITT & CO., Chicago, U. S. A.

"Why don't you take Kodol? I was troubled with dyspepsia for 18 or 20 years and had gotten so bad that I had to be very careful what I ate. I had pains at night so that I could not sleep, and pains in the stomach before and after eating. My druggist asked me to try Kodol, which I did. I used some 3 or 4 bottles. It has now been two years since I used Kodol and I have had no stomach trouble since. By all means you should get a bottle at once."

E. D. SMITH, Murray, Neb.

WHY STAY PALE.

A pity to see pale girls stay pale and dull when it is so easy to get Scott's Emulsion.

One of the best things Scott's Emulsion does is to give rich blood to pale girls.

The result of regular doses of Scott's Emulsion is an increase not only in the red color of the blood and in the appetite but in the good looks and bright manners which are the real charm of perfect health.

When The Grand Climacteric Period of a Woman's Life Arrives

Paine's Celery Compound

Takes Her Safely Into After-Life Free From The Ailments and Dangers Common to Her Sex.

Change of life, which usually comes on between the age of forty and fifty, is to thousands of women a time of serious constitutional disturbances. The danger time is made known by irregularities, stomach derangements, headache, nervousness, pain in back and hips,

MRS. NELLIE TAYLOR, Of Solon, Ohio, Who Has Been Restored to Health by Paine's Celery Compound.

limbs and abdomen frequently swell, piles do their annoying work, there is vertigo, palpitation of the heart and debility.

When any of these warning symptoms are experienced, the use of Paine's Celery Compound will do wonders for anxious and suffering women. Paine's Celery Compound used regularly for a few weeks will build up nerve force and physical strength, tone digestion, keep the kidneys and liver in working condition, will banish gloomy fears and give sweet sleep. It has saved thousands of women from terrible sufferings and death. Miss Annie Pasand of the Witt, Iowa, tells how Paine's Celery Compound made her mother well and strong; she says:-

"My mother was taken very sick by approaching change of life and was confined to her bed for seven weeks. We employed the best doctors, but his efforts were of little avail. She could not keep any thing on her stomach, could not sleep and she wasted to a shadow. We procured a bottle of Paine's Celery Compound for her. Its use gave grand and wondrous results. She soon slept well at night, got stronger and her appetite returned. She is now well and strong and does her work with pleasure. She would not be without Paine's Celery Compound for any consideration."

MISS FAY LEE,

President of the Shakespearean Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

Miss Fay Lee.

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.
